Community Service Corner

LMDA is looking for volunteers (*you don't have to be an LMDA member*) interested in building or reconstructing homes with **Habitat for Humanity of Wake County**. No experience is necessary, and all tools and materials are provided. Shifts are in 3.5-hour increments, or a volunteer could work all day; shifts are available Tuesday through Saturday (weekday shifts are eligible for Community Service Leave). There are two sites near Century Center and a third near the RBC Center that currently need volunteers.

If you would like to volunteer, please contact **Adrian Atkinson** at aaatkinson@ncdot.gov by **April 21**. We hope you can join us- it's a great opportunity to meet with your friends and co-workers and to do something positive for the community!
